GCMO-Haiti.org – SCHOOL January 2022

Dear Fellow Workers of SCHOOL:

Special greetings in Christ Jesus our Savior and Lord who has chosen us to fulfill the Great Commission in our generation,

We cannot thank you enough for the Organization SCHOOL's involvement in the life of the least of these our schoolboys and schoolgirls of the impoverished community of Carrefour. Thank you for your ongoing investment in the lives of these dear children. In so doing, you have surely invested in the things that matter the most.

SCHOOL is already making a great difference in the troubled community of Carrefour. We still remember when Sister Nahomie first called us following the earthquake of January 12, 2010 to inquire

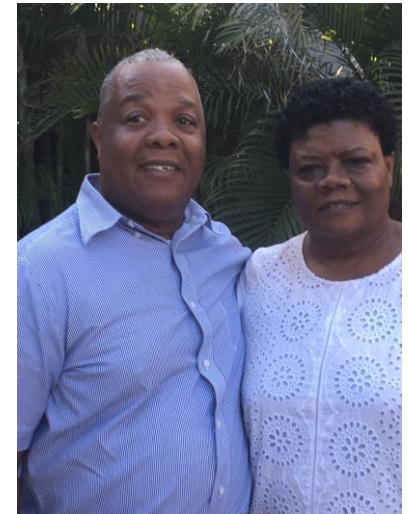

SCHOOL sponsored children at Carrefour

how was Carrefour affected and what could be done to improve the situation over there? Little did we know that SCHOOL will still stand tall to continue supporting and serve the least of these our brethren after more than a decade. As a matter of course, more than a dozen children have successfully graduated high school with honors.

When SCHOOL chooses to invest in education in the impoverished community of Carrefour, you have closed the door to the gang activities and you have opened a door of a whole new perspective

into the future. Again thank you for empowering GCMO to serve our people in the most challenging time of our history. Claudie and I, we love you so dearly and we will cherish our work together for the cause of the kingdom for the remaining of our days.
