**Dear Coworkers in Christ:
Special greetings in Christ Jesus our Savior and Lord,**

Special greetings in Christ Jesus our Savior and Lord, We love you all so dearly and we pray for you often. Thank you for being a part of this great ministry which is Global Christian Mission Outreach. We appreciate your partnership and your faithful commitment during all those years. You are always there behind the scenes as a great source of encouragement for all of us here in the field. So much has been accomplished already during the first quarter of the year 2022, and we praise God for what He is doing here in the field.

Yvon & Claudie Selin

Here in Haiti, nothing seems to be new under the sun. The same challenges still stand before us and the political and social tensions are still being greatly felt. Seven months after the assassination of the late president Jovenel Moise, very little has been done to bring the criminals to justice. Three judges have already rejected the case. Meanwhile, more politicians kept fighting for positions to better serve themselves. They want at all cost to share the power with the Prime Minister Ariel Henri. But in fact, they are still more of the same.

Haiti's late President Jovenel Moise.

While the vast majority of our countrymen struggles in extreme poverty. In this volatile environment, the government has recently doubled the price of fuel which even worsens the social tension. The price of food has skyrocketed making life almost impossible in this land of Haiti. Besides these, the phenomenon of insecurity is an ever constant reality to deal with in different places of Haiti. Everyone has his fair share of the evil crop as the gangs kidnap doctors, engineers, professors, lawyers, preachers and even missionaries. Today the gangs are still fighting each other to gain more territories thus making the environment far from being sure and stable. Consequently more than five geographical departments are being literally shut off from the rest of the country notably: South East, Nippes, South West, South and a part of West including Grand-

Goave, Petit Goave, Leogane, Carrefour and Gressier. Gangs are ever present everywhere holding their machine guns and are ready to prey on a defenseless population. Our freedom of moving freely from one point to another is severely restricted. We are engaged in a war against ourselves. We do not really know what tomorrow holds for us but we know for certain who holds tomorrow.

Baptism at Delmas 75.

In this atmosphere of global tension and uncertainty, we have a global Mission, to go to all men of all social strata, of all nations and all ethnic groups to present the whole gospel message to a lost generation. As the Lord stated in the Great Commission, "All power is given unto me in heaven and on earth. Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and lo, I am with you always, even unto the end of the world." (Mat 28:18-20 KJV)

On another occasion, our Lord Jesus Christ reiterated, "It is not for you to know the times or the seasons, which the Father hath put in his own power. But ye shall receive power, after that the Holy Ghost

is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judaea, and Samaria, and in uttermost part of the earth." (Acts 1:7, 8 KJV)

To this end our courageous staff, men and women, preachers and teachers of Global Christian Mission Outreach labors tirelessly day in and day out to bring the gospel message to our countrymen.

In Christville the Work of the Kingdom is Moving Forward

In spite of the chaos and confusion, the work of the kingdom is moving forward in Christville. The gospel is being preached to the multitudes, children are being kept in classrooms, Thanks to the generosity of our brothers and sisters of Main Street Christian Church and faithful partners like Masters' Hands. The children are being served a hot lunch every day, and a plethora of young men and women who were held in bondage experience abundant life in Christ. And the Lord kept adding to His Church those who are being saved.

Baptism at Christville.

Just two months ago, we got the awesome privilege to leave the chaos of Port-au-Prince in order to go to spend the first two weeks of February in Christville. What a privilege to observe the multi-faceted aspects of the ministry there. On Saturday February 2, 2022 Brother Kelly and I, were privileged to celebrate the wedding of four couples who were united in Holy matrimony. The whole community gathered together

on this joyous occasion. It was really a time of joy and celebration. All the ladies worked tirelessly day and night to get ready for this unprecedented event. The young men and women were trapped in living together out of wedlock for quite sometimes. They loved each other very dearly. But they just can't afford to get married. We thank God for the dynamic leadership of Brother Kelly who makes things happen. We praise God too for the generous contributions of Shelton Christian Church who generously donated \$800.00 toward the cause. And every penny of it was well spent toward a just cause. Our gratefulness goes to our brothers and sisters of First Baptist Church of Shelton for the donation of the wedding dresses. And finally, we give special thanks to our brothers and sisters of Shelton Presbyterian Church for the donation of several wedding dresses and 8 new laptops in order to help more students in our computer program. We are so grateful and appreciative to you all.

On Sunday February 3, 2022 seven ladies were baptized by immersion in Christville, among them were several of the newlyweds. Then they officially joined the Church of Christville by giving their hand of association. Surely enough salvation is entering Christville. Our journey continued From Christville to Dubreuil, Ducis where a church has been firmly implanted a year ago. It was such a joy to return there to see how Dubreuil is doing and to celebrate with our brothers and sisters their very first year of existence. It was a breath taking experience for us. So much has been accomplished in

such a short time of existence in Dubreuil alone: 49 people have been won to Christ in this community of Dubreuil, 13 others are being affiliated, 11 young men and women have been baptized by immersion, 6 new couples were united in marriage, and four children were presented to the Lord.

And lastly but not least, we gathered in Christville all the leaders of the district for a three day seminar for a doctrinal teaching. It is so encouraging to see Christville

moving to a new level and to witness firsthand, what God is doing in the South district of Les Cayes. To God be the glory!

Delmas 75 Continues to Thrive in Spite of All

Our congregation located in the very heart of Porte-au-Prince at Delmas 75 is striving hard to be young men and women of excellence in the middle of the darkness and chaos. Brother Vincent is working hard coaching these young men and women to give themselves for the cause of the Kingdom. Not one month went by without his young team being out on the streets of Delmas, knocking door-to-door in order to

present Jesus Christ as the final solution to a country in crisis. From February 25 to March 1, 2022 Delmas Christian Church launched an evangelistic Campaign for Anse-a-Veau during the carnival recess. A courageous team of 18 young men and women assaulted the streets of Anse-a-Veau proclaiming the good news of the gospel in spite of all odds. The results were astonishing: More than 765 people in the community of Anse-a-Veau heard the gospel message. Of that number, 47 people accepted Jesus Christ as their personal Savior and about 8 church members who were backsliding were restored in their Christian faith. Meanwhile, the Congregation of Delmas 75 continues to grow steadfastly reported Brother Vincent as four new members were immersed in water baptism and the Lord continued to add to His church all those who are being saved. To God be the glory!

In Memory of Bernadel Vincent

We are deeply sorry to learn Mr. Bernardel Vincent went to be with the Lord on Wednesday February 9, 2022 in the comfort of his home at around 8:00 PM.

Mr. Vincent was the Father of Pastor Vincent Precois. Mr. Vincent was 83 years old when he passed away. He was the father of nine children and the grand-father of twenty two grandchildren. He was a Christian man deeply rooted in the faith transmitted once and for all. He was a member of good standing of the First Church of God of Anse-a-Veau for

more than half a century. Brother Bernadel Vincent went to be with the Lord leaving behind a Christian legacy his children and his grandchildren will hold on to tightly.

Brother Bernadel Vincent will be deeply missed. On behalf of Global Christian Mission Outreach, we present to the Vincent family our deepest condolences.

Carrefour Christian Church Continues to Thrive for Excellence

Children's Choir at Carrefour

Carrefour Ladies' Group.

At Carrefour the battle is ever constant. The situation is very difficult at Carrefour because of the ongoing battles of the gangs in the vicinity of Carrefour. The Church stands tall to continue the work of the Kingdom in spite of fierce opposition. The gospel continues to be widely proclaimed at Carrefour... from the top of the mountains over the hills and everywhere that Jesus Christ is Lord. Pastor Va has reported having won a few souls in the ongoing battle for the salvation of young men and women. Six young men

and women have been baptized in Carrefour. Moreover 6 couples were united in holy matrimony, and about a dozen children were presented to the Lord. Besides this, the front entrance of the church of Carrefour has been redesigned. The work has been nicely done to our satisfaction. I want to take advantage of this opportunity to thank the masons, stone workers and foremen of the Church who have volunteered their time. Thank you to you all for a job well done.

Saut-d'Eau Continues to Improve Greatly

At Saut-d'Eau we begin to see signs of growth. As we are writing this message, there is one week of revival going on over there. The revival started on March 20, 2022 and will end on March 27, 2022. A good crowd has gathered together every night for this special event. Brother Maxi reported there are already five people on the list waiting to be baptized on Sunday March 27. The number is expected to grow as decisions are being taken every night. And six children will be presented to the Lord on that Sunday. Besides this, the concrete floor of the Church of Saut-d'Eau has been poured. But we still have a whole lot to do. We still need a metallic roof for this congregation and the plastering of the walls. We are requesting your fervent prayers on behalf of the people of Saut-d'Eau.

Finally we are so grateful and appreciative to all for your fervent prayers and your ongoing financial contributions to Global Christian Mission Outreach. Rest assured of our prayers for you and your family as we look forward to hearing from you.

Global Christian Mission Outreach's Child Sponsorship Program

The program is designed to be a partnership between a sister church in the United States or an individual or any other organization. Within the partnership, the sister church or the individual is encouraged to sponsor one or several school children. In so doing you will in turn allow Global Christian Mission Outreach to accomplish its mission statement: Come, Abide and Go.

- 1) To plant new churches (Come)
- 2) To equip leaders for service (Abide)
- 3) To commission them to go in order to reach out to the surrounding villages (Go)

What Are The Benefits Of Sponsoring A Child?

The benefits are twofold: First of all, a child will enjoy the bread of education, which otherwise would not be available to him. Consequently, there will be no child left behind in the dark margins of social life. Secondly, the sponsor will have the joy of investing in the things that matter the most, making a lasting impact in the life of a young child, shaping his young mind via a solid Christian education. Your monthly contribution will provide a needy child with books, uniforms, school supplies, and a hot meal every day. You will be provided opportunities to develop a special relationship with that child. You will be kept informed of major events taking place in the life of the child through e-mails, personal letters, or even maybe meeting the child in his or her own little village. You will also be provided with opportunities to monitor the spiritual and intellectual growth of the child as you periodically receive copies of his/her report card.

Would you help Global Christian Mission Outreach by sending one needy child to school?

How You Can Help

First of all you can be a prayer warrior who presents the daily needs of the mission field before the Lord. We presently have five hundred or more schoolboys and schoolgirls waiting in line to be sponsored. Some of them walk several miles, even crossing rivers to come to class. Many of them come to school hungry, hoping to be served a hot meal for lunch. There are also classes to be started at Tom Gato and at Cambry.

We can't make it without you. Without your help many children will be turned down this school year. They will be denied the unique opportunity to learn about Math, Reading, and Social Studies. More importantly, they will be denied the greater opportunity to learn about Bible stories, creation, and our Lord Jesus Christ.

Would you please fill out an application to sponsor one child every month at least for one year? With only thirty dollars a month, one dollar a day, you can make a big

difference in the life of a child of your choice. If you so desire, please select a child and send an e-mail to Jack Spaulding at jackspaulding@hughes.net, or on our website at GCMO-Haiti.org or write to Global Christian Mission Outreach, Attention: Jack Spaulding, 8966 S. 650 W., Milroy, Indiana 46156-9727, and he will send you the profile of a child needing a sponsor. 100 percent of the money goes to supporting the children and the schools.

God willing, our intention is to expand GCMO's schools in the south to educate 700 more children, and someday, build a much needed orphanage.
