**Dear Coworkers in Christ:
Special greetings in Christ Jesus our Savior and Lord!**

Dear Fellow workers:

Special greetings in Christ Jesus our Savior and Lord who has called us out of the darkness of this fallen world into His wonderful light in order to fulfill the Great Commission in this generation.

Claudie and I are so thankful and appreciative to you all our dear friends and supporters for your heartfelt prayers and your unconditional financial support to the cause of the kingdom throughout these long years. It has been such a joy and an honor to work together with you all in this great partnership which is GCMO throughout these wonderful years. We have had mountaintop experiences and we have experienced the low valleys as well. But in the end, it is all worth it. Today in a very special way, Claudie joins me in wishing to you all, our dear friends and coworkers of the kingdom, "Happy Thanksgiving"

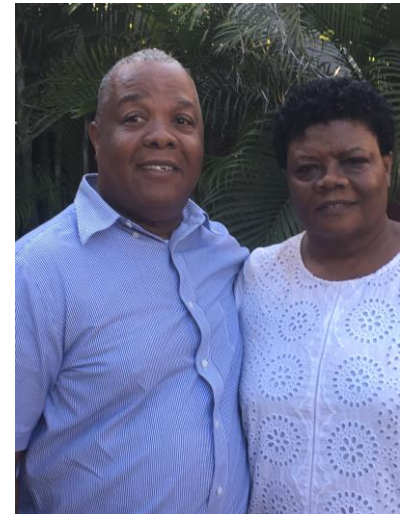

Happy Thanksgiving 2022

Thanksgiving has always been a precious tradition for us and our family as well. We celebrate with you all today this special holiday. This is a history of courage and perseverance and the birthing of a great giant of a nation. We are reminded of the perilous trips the pilgrims made on board of the Mayflower in search of this land of freedom. They have found it and created this great nation in the heart of the new world.

They celebrated their first Thanksgiving right here in Plymouth, MA in November of 1621. What a Christian heritage that your forefathers have worked so hard to leave behind that we all celebrate and cherish so dearly today.

Thanksgiving is the spirit of sharing. Thanksgiving is the spirit of oneness and togetherness as it is engraved in our hearts and in our consciousness: "*E Pluribus Unum*" which means "*out of many, one.*" Thanksgiving is an attitude of the spirit. Let us all come together with praise and thanksgiving around the table for all the great things He has done. Count the many blessings and name them one by one. We all got so much to be thankful for.

We are so thankful for the gift of family. As you all know, Claudie and I have three adult children: Marc, Ricardo and Melissa. But the family keeps expanding. We

have today three grandchildren... Marcus, Alexander and Fahani. They are real treasures that we can't have enough of.

We are also thankful for our faithful friends and partners like you who have empowered us to do the work in this country of Haiti. The years passed by quickly and you continue to be the backbone of this ministry. We could not do what we are presently doing without your ongoing prayers and constant support. Claudie and I love you all so dearly and we cherish your friendship, and more importantly, your partnership in the ministry of the gospel.

Here in the field, there is such a dim prospective for the future. The social and political situation continue to worsen to say the least: The gangs continue their reign of terror. The police forces seem to be absent or simply said their presence is not felt. We got all kinds of

police forces, namely: BRI, BOYD, BLTS, BIM, SIMO, and SWAT and so on, they all equal less than zero. And

the people are abandoned to themselves to live a nightmare in daylight. And rightly so, the police forces are accused of being incompetent. To this, they replied they have not received orders from their superiors to intervene.

Meanwhile, the situation continues to be chaotic. And, the horror movie is unfolding before our very eyes every day. As a matter of course, a plethora of young men and women are fleeing Port-Au-Prince in massive numbers to go to wherever. It becomes very difficult to travel from one point to another without running the risk of being sequestered, kidnapped or just being killed. However the enemies are not foreign coming from miles away; they are domestic enemies fighting the very existence of our beloved nation. The real enemies are corrupted rich oligarchs fighting for a monopoly. They are more interested about their benefits than the welfare of the citizens. The real enemies are corrupted politicians working in conjunction with the gangs in order to perpetuate themselves in power rather than protecting the country they swear to defend. Most of the times the election ballots are filled before elections could even be scheduled. Meanwhile the beloved nation is crying for help. Haiti is plunging slowly into the infernal abyss, and shame is covering our face.

However in this atmosphere of chaos and uncertainty our cohort of brothers and sisters in Christ continue to work. The churches in Haiti are alive and well, even during these stressful times. We need to press on while it is still daylight for the night comes when no one can work.

Delmas Christian Church continues to press on despite the seemingly perilous times. On October 28, 2022, Brother Vincent launched an evangelistic campaign for Grand-Fond and Laval, Anse-a-Veau. The trip was difficult indeed; the gangs blocked the roads where they were supposed to cross. They bypassed the main road to take a detour through Savanne Pistache. In doing so, they were wandering around and got

November 2, 2022. The result was astonishing: 641 men and women heard the Word, 33 men and women have accepted the Lord as personal Savior, and three others who used to go to church were restored to their Christian Faith and are now active in their respective congregation. Alleluia to the Lord of hosts.

Church service at Christville

Christville Christian Church continues to strive hard for excellence. A plethora of young men and women in mass are turning to the Church. They are searching for answers to the dilemma of life. The pews are filled to capacity each Sunday. The good news of His imminent return is being heralded and many have answered the call. The situation is getting harder and harder everywhere but we do not lose hope. The apostle Paul said it better, *“But we have this treasure in earthen vessels, that the Excellency of the power may be of God, and not of us. We are troubled on every side, yet not distressed; we are perplexed, but not in despair; persecuted, but not forsaken; cast down, but not destroyed; always bearing about in the body the dying of the Lord Jesus, that the life also of Jesus might be made manifest in our body.”* (II Cor. 4:7-10 KJV)

So much has been accomplished during the last quarter. Brother Jean Kelly has reported 14 decisions have been made during the altar call: four people have accepted Jesus as their personal Savior and six people are in line to be baptized in the next session which will take place in December, and four others came over for affiliation. We praise His holy name for what He is doing in Christville. As far as the school is concerned, we are presently meeting with the teachers. If all goes as planned, we hope to reopen school in Christville by next Monday, November 28. Please continue to pray for the safety of our children at Christville.

Special Announcement

We take advantage of this newsletter to let you know that Pastor Jean Kelly Piard and Ms. Tamar Mesidor will be united in holy matrimony. The wedding ceremony will take place at Christville Christian Church on January 29, 2023 at 4:00 PM.

Worship service at Carrefour

Carrefour Christian Church is pressing hard to keep the torch of the gospel alive in Carrefour. Carrefour is without a doubt that city set on a hill. Carrefour definitely continues to shine during this dark hour of the night. Our Lord and Savior said it so well, *“Ye are the light of the world. A city that is set on a hill cannot be hid. Neither do men light a candle, and put it under a bushel, but under a candlestick; and giveth light unto all that are in the house. Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven.”* (Mat 4:14-16 KJV)

The congregation of Carrefour continues to grow slowly but surely in spite of all odds. For the last quarter Pastor Va has reported having immersed nine new believers in water baptism. Just last Sunday, they were given the hands of fellowship as new members of the congregation of Carrefour. And the Lord continues to add to

His Church those who are being saved.

Furthermore, Pastor Va wants to take advantage to this opportunity to express his gratitude to you all our dear friends who have donated toward his Cataract surgery. The operation was a success.

Baptism at Carrefour

The second surgery was scheduled but Pastor Va could not travel from Carrefour to Port-au-Prince because of the violence on the streets. He will go ahead and schedule the second operation when the situation goes back to normal. Again Pastor Va is thankful and appreciative to you all for your generous contribution.

Be assured of our prayers for you and your family as we look forward to hearing from you

Warmly in Christ

Global Christian Mission Outreach's Child Sponsorship Program

The program is designed to be a partnership between a sister church in the United States or an individual or any other organization. Within the partnership, the sister church or the individual is encouraged to sponsor one or several school children. In so doing you will in turn allow Global Christian Mission Outreach to accomplish its mission statement: Come, Abide and Go.

- 1) To plant new churches (Come)
- 2) To equip leaders for service (Abide)
- 3) To commission them to go in order to reach out to the surrounding villages (Go)

What Are The Benefits Of Sponsoring A Child?

The benefits are twofold: First of all, a child will enjoy the bread of education, which otherwise would not be available to him. Consequently, there will be no child left behind in the dark margins of social life. Secondly, the sponsor will have the joy of investing in the things that matter the most, making a lasting impact in the life of a young child, shaping his young mind via a solid Christian education. Your monthly contribution will provide a needy child with books, uniforms, school supplies, and a hot meal every day. You will be provided opportunities to develop a special relationship with that child. You will be kept informed of major events taking place in the life of the child through e-mails, personal letters, or even maybe meeting the child in his or her own little village. You will also be provided with opportunities to monitor the spiritual and intellectual growth of the child as you periodically receive copies of his/her report card.

Would you help Global Christian Mission Outreach by sending one needy child to school?

How You Can Help

First of all you can be a prayer warrior who presents the daily needs of the mission field before the Lord. We presently have five hundred or more schoolboys and schoolgirls waiting in line to be sponsored. Some of them walk several miles, even crossing rivers to come to class. Many of them come to school hungry, hoping to be served a hot meal for lunch. There are also classes to be started at Tom Gato and at Cambry.

We can't make it without you. Without your help many children will be turned down this school year. They will be denied the unique opportunity to learn about Math, Reading, and Social Studies. More importantly, they will be denied the greater opportunity to learn about Bible stories, creation, and our Lord Jesus Christ.

Matthew 25:40 - I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me."

Would you please fill out an application to sponsor one child every month at least for one year? With only thirty dollars a month, one dollar a day, you can make a big difference in the life of a child of your choice. If you so desire, please select a child and send an e-mail to Jack Spaulding at jackspaulding@hughes.net, or on our website at GCMO-Haiti.org or write to Global Christian Mission Outreach, Attention: Jack Spaulding, 8966 S. 650 W., Milroy, Indiana 46156-9727, and he will send you the profile of a child needing a sponsor. 100 percent of the money goes to supporting the children and the schools.

God willing, our intention is to expand GCMO's schools in the south to educate 700 more children, and someday, build a much needed orphanage.
