The Haiti Christian Congregations of Delmas 75, Carrefour, Fonfrede, Cambry, Saut-D'eau, Jeremie & Tom Gato  
**GCMO-Haiti.org – March 2023**

**Dear Coworkers in Christ:  
Special greetings in Christ Jesus our Savior and Lord!**

We thank God for being our refuge and strength, our very present help in the midst of all our chaos and turmoil that has been going on for too long. We went to Him in prayer crying for help; our voice has not yet been heard. Today we are still waiting on Him for a miracle. Though our little world seems to scramble around us and our nation is approaching the abyss.

Still we have good reasons to praise Him. We praise Him for the air we breathe and for his everyday provision that sustains us. We also praise God for great friends and loving supporters like you for your heartfelt prayers and your ongoing financial support during this time of crisis. Our heart is breaking as we are writing this newsletter. We wish we could tell you things are going great and somehow, we have found a way to solve our political differences. To tell you our nation is finally taking the turn for the best. Unfortunately, this is not yet the case. Our glorious days seem to be something of the past; the ship which is our country is slowly sinking deeper and deeper every day. Today more territories are falling under the control of the gangs in the center of Port-au-Prince. The gangs are constantly terrorizing the inhabitants of Port-Au-Prince namely: Bel Air, Saint Martin, Solino and Bas-Delmas, Lasaline and Croix-des-Bouquets to name but a few. They seem to be present everywhere and they bring death and bloodshed along their path. Consequently massive numbers of people are desperately fleeing their homes in search of safe havens. Meanwhile the government is doing absolutely nothing to solve the dilemma. We are assisting powerless the decline of our beloved nation. The article Brother Spaulding sent out last month has been well documented and reported in gross details the nightmare. The author went all the way to the bottom of the well, and the truth is finally coming out: our elected officials are digging our own grave.

However in these perilous times our preachers and Christian leaders are pressing hard to push forward the work of the kingdom. At Delmas 75, Brother Vincent reported having launched two successful campaigns: One Campaign took place at Saut d'Eau in the Central Plateau. From Delmas 75, a small group of fifteen men and women were mobilized to Saut d'Eau. They departed from Delmas on February 18

more than 614 were exposed to the gospel message in a public square. On the evening, the population of Saut d'Eau was invited to the Church where they held a revival. The place was packed to full capacity. Most people stood for the duration of the service. About a dozen responded to the alter call. Salvation is coming to Saut d'Eau! We praise God for what He is doing in Saut d'Eau.

early in the morning. They reached their destination after about an hour long rough ride. They stayed over there for about a week; they lived under tough conditions in order to win but a few. They went from house to house in Saut d'Eau presenting the good news of the gospel to a community in despair. They preached in open market places that Jesus Christ is the only solution to a community in crisis. More

**The Youth of Carrefour**

Carrefour continues to push forward for excellence. The church of Carrefour is moving forward in spite of all. The Church door is open as usual for corporate worship on Sundays and for prayers and Bible study mid-week. The people of Carrefour are turning to God in these perilous times.

Pastor Va is doing very well. The second cataract operation on his left eye was done with great success on February 8 of this year. Pastor Va's vision has been well

restored to 20/20 and the veils of the cataracts were successfully removed. We praise God for this operation and we also want to take advantage of this opportunity to present our gratitude to all our supporters and friends who have so generously given toward Pastor Va's surgeries. Special thanks to Dayton Christian Church of Dayton, Oregon for their involvement with Carrefour and Pastor Va's family in particular. Special thanks to Sister Sharon for being so faithfully supportive of Pastor Va and his family since the consecration of the building of Carrefour in December 5, 2005.

cover the expenses of the school year 2022-2023. In spite of the social chaos the school has been open and has been working quite well in Carrefour. We are so grateful and appreciative to our longtime friends and coworkers of S.C.H.O.O.L. The

children have already sent me a thank you note which I will forward to Sister Nahomie.

**The Youth of Christville**

Moreover, we are so appreciative to S.C.H.O.O. L. for their labor of love on behalf of the impoverished community of Carrefour. S.C.H.O.O.L. has been so faithfully active in Carrefour since the earthquake of 2010. Today they are still involved in Carrefour, making a lasting impact among the least of these our brethren. Just last February of 2023, S.C.H.O.O.L. sent the sum of \$3,300.00 to be distributed to 13 families of Carrefour. Each family

received the amount of \$250.00 to cover the expenses of the school year 2022-2023. In spite of the social chaos the school has been open and has been working quite well in Carrefour. We are so grateful and appreciative to our longtime friends and coworkers of S.C.H.O.O.L. The children have already sent me a thank you note which I will forward to Sister Nahomie.

Christville Christian Church continues to thrive. The social tension is almost nonexistent in the south at Fonfrede. Our continuing operation is quite normal. Brother Jean Kelly reported slowly but surely, the congregation has been increasing during this last quarter. The good news has been preached to the multitude and the Lord kept adding people to His glorious Church.

Our school children come regularly to class each day for the school year. We have been able to feed them a hot meal so far. But, we do not know for how long we can continue since our funds have been substantially depleted. Food in Les Cayes is now skyrocketed as a direct result of the social chaos and political unrest. One 50-pound bag of rice is being sold close to \$1,000.00 Haitian dollars because of the unavailability of the product. It is so difficult for goods to be transported from one point to another within the country.

We are so grateful and appreciated to our brothers and sisters of Main Street Christian Church of Rush County who have given so generously to keep the school lunch program rolling in order to feed these hungry children a hot meal every day.

Lastly but not the least we want to present from the depth of

heart all our gratitude and appreciation to the Board of this great partnership GCMO for their contribution to fund a relief program to the most vulnerable ones severely affected by the crisis. Relief effort has been already launched to the most vulnerable people of Christville and Saut d'Eau and elsewhere. The operation will be extended to other places too as funds allow. In many places where the safety of our preachers was a concern we have sent cash and hopefully, they could buy the food themselves.

**Food relief at Saut d'Eau**

From the bottom of our heart we present our deepest gratitude and appreciation to our long time partners, our brothers and sisters of Master's Hands for being the real hands of the Masters in this labor of love. Thank you for partnering with us in the work of the kingdom during the last two decades. You have been working alongside of us, to building the school, or providing for the salaries of our teachers and staff. Your good deeds did not go unnoticed. For God is not

unjust to forget your work and the love you have shown for His name, caring for the believers as you still do.

Finally we can hardly find the right words to express the depth of our gratitude to you all our dear friends and partners in this great ministry which is GCMO. Claudie and I are so grateful and appreciative to you all. Please continue to pray for us during this time of crisis. Pray we are not far from the end of the tunnel. We will surely laugh again. Pray for the safety of all our brothers and sister working in Haiti: Our preachers, our teachers and staff. Pray specifically for Brother Jean Kelly, he celebrated last Sunday, March 12, his 46th birthday. He is getting ready to get married to a young lady, Sister Tamar. The wedding will be celebrated at Christville on April 11, 2023 at 3:00 PM. Let him know how much you appreciate him and his service and you share of his joy.

Meanwhile we will be praying for you as well as we look forward to hearing from you.

Warmly in Christ

# A Country In Crisis

Haiti's government has spun out of control and lawlessness and anarchy now grip much of the country including the capital city of Port-Au-Prince. Gangs rule the streets, and law enforcement is nowhere to be found. In much of the country, robbery, murder, kidnapping and rape are faced by the members of our congregations and their surrounding communities every day.

It seems the world has turned a blind eye to the plight of the country. Many will testify conditions are worse now than when NATO troops were deployed to restore law following the flight of Aristide in 2004. The only country to respond to Haiti's plight so far is Canada who stated they would invest \$1.8 million to investigate the violence. I'm not hopeful...at the same time; Canada said they would be investing \$44.8 million for climate control in the Caribbean.

I was in Haiti in 2006 and witnessed the machinegun manned two story sandbag emplacements at every major intersection of Port-Au-Prince. I stayed alongside of NATO troops billeted in a third class hotel named The Magic Bud. I saw the people huddled close to the NATO troops for protection.

Haiti needs to restore lawfulness on its own. The problem is being caused by the oligarchy fighting for control of the country. Almost 90 percent of the wealth in Haiti is controlled by 25 families. The various families sponsor the gangs and provide the guns and ammunition to try to win political and financial control for themselves. The evil comes from within.

GCMO applied for aid assistance for members of our congregations and surrounding communities who have been so severely impacted. Many have had their places of employment ransacked and destroyed while others fear to travel to their employment. Unfortunately, our application was considered not to be worthy... understandable considering all the earthquakes and flooding around the world.

We haven't sat idly by. We have designated some money each month to go to those so desperately in need because of the violence. The financial drain on our already stretched finances is rapidly depleting our funds. GCMO is heading toward a financial cliff.

I would appeal to all of our supporters to help with our financial situation. Donations can be made directly to our general fund through our website at: [GCMO-Haiti.org](http://GCMO-Haiti.org). At a time when Haiti is in need of so much help, the violence is forcing out and closing charitable organizations and NGO (Non-Government Organizations) operations.

You can also send your checks to GCMO-Attn. Jack Spaulding, 8966 S. 650 W., Milroy, IN 46156. All donations are 501-3 tax deductible and donors will receive a statement at the end of the year for tax purposes.

In Christ's love,

# **Global Christian Mission Outreach's Child Sponsorship Program**

The program is designed to be a partnership between a sister church in the United States or an individual or any other organization. Within the partnership, the sister church or the individual is encouraged to sponsor one or several school children. In so doing you will in turn allow Global Christian Mission Outreach to accomplish its mission statement: Come, Abide and Go.

- 1) To plant new churches (Come)
- 2) To equip leaders for service (Abide)
- 3) To commission them to go in order to reach out to the surrounding villages (Go)

## **What Are The Benefits Of Sponsoring A Child?**

The benefits are twofold: First of all, a child will enjoy the bread of education, which otherwise would not be available to him. Consequently, there will be no child left behind in the dark margins of social life. Secondly, the sponsor will have the joy of investing in the things that matter the most, making a lasting impact in the life of a young child, shaping his young mind via a solid Christian education. Your monthly contribution will provide a needy child with books, uniforms, school supplies, and a hot meal every day. You will be provided opportunities to develop a special relationship with that child. You will be kept informed of major events taking place in the life of the child through e-mails, personal letters, or even maybe meeting the child in his or her own little village. You will also be provided with opportunities to monitor the spiritual and intellectual growth of the child as you periodically receive copies of his/her report card.

Would you help Global Christian Mission Outreach by sending one needy child to school?

## **How You Can Help**

First of all you can be a prayer warrior who presents the daily needs of the mission field before the Lord. We presently have five hundred or more schoolboys and schoolgirls waiting in line to be sponsored. Some of them walk several miles, even crossing rivers to come to class. Many of them come to school hungry, hoping to be served a hot meal for lunch. There are also classes to be started at Tom Gato and at Cambry.

We can't make it without you. Without your help many children will be turned down this school year. They will be denied the unique opportunity to learn about Math, Reading, and Social Studies. More importantly, they will be denied the greater opportunity to learn about Bible stories, creation, and our Lord Jesus Christ.

**Matthew 25:40 - I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me."**

Would you please fill out an application to sponsor one child every month at least for one year? With only thirty dollars a month, one dollar a day, you can make a big difference in the life of a child of your choice. If you so desire, please select a child and send an e-mail to Jack Spaulding at [jackspaulding@hughes.net](mailto:jackspaulding@hughes.net), or on our website at [GCMO-Haiti.org](http://GCMO-Haiti.org) or write to Global Christian Mission Outreach, Attention: Jack Spaulding, 8966 S. 650 W., Milroy, Indiana 46156-9727, and he will send you the profile of a child needing a sponsor. 100 percent of the money goes to supporting the children and the schools.

God willing, our intention is to expand GCMO's schools in the south to educate 700 more children, and someday, build a much needed orphanage.
